Hoover Dam and Ethel M**9:30 a.m. – 1:30 p.m.**

Guests experience some of the history that put Las Vegas on the map. Drive through Boulder City, which was built by the U.S. government to house workers at the dam, then experience a breathtaking view as Lake Mead appears. It's a spectacular contrast to the surrounding desert.

The modern Visitor Center provides a fascinating film on the Dam's construction and history, including Boulder City. Visit the exhibit gallery, observation deck, and go inside the dam to the power plant. See dramatic views of the Colorado River and Lake Mead, the largest manmade body of water in the Western Hemisphere.

Following Hoover Dam, guests visit Ethel M chocolates. As a tribute to his mother, renowned chocolatier Forrest Mars, Sr. founded Ethel M Chocolates in 1981. Guests watch as Sees' gourmet chocolates are made with the freshest ingredients, using original recipes and processes.

At the conclusion of the self guided tour, enjoy a complimentary sample. Ethel M's grounds are a true desert oasis, home to a four acre Cactus and Botanical Garden, featuring an arid landscape rich with more than 350 species of cactus, succulents and desert plants from the Southwest and other deserts of the world. It's one of the world's largest collections of drought tolerant plants displayed in a naturalist. **Cost: \$85 / \$95**

Las Vegas City Tour**12:30 p.m. – 4:30 p.m.**

Las Vegas the greatest city founded in the 20th century, truly an original. Merely a railroad water stop 100 years ago, later a hipster hideaway in the desert, today Las Vegas has evolved into a glittering world class destination with the three G's: glamour, glitz and grandeur. From the first time visitor to seasoned travelers, this tour provides an orientation and an update to this dynamic and exciting metropolis. The initial segment of the tour travels down the world famous "Strip" where magnificent hotel casinos help advertise "The Entertainment Capital of the World" on spectacular marquees. Next, visit Fremont Street, where Las Vegas began, and home to its original casinos, returning via Wedding Chapel Row the romantic hub of Vegas. Continuing down the Strip, guests will have a photo opportunity at the world famous Las Vegas sign! Finally, stop at the Bellagio Hotel and Casino to view its artistic beauty. **Cost: \$60 / \$70**

SUNDAY, JULY 26, 2009**On Stage with "Jubilee!"****1:00 p.m.- 4:00 p.m.**

Donn Arden's Jubilee! is a mainstay extravaganza entertaining Las Vegas for more than 20 years. Upon arrival at the theater, a principal dancer from the show escorts guests onto the actual Jubilee stage at Bally's and explains exactly what it takes to put this elaborate production together. Guests then visit the light booth which provides a panoramic view of the stage and a peek at what gives the production its fantastic lighting effects.

Next is the basement area where the huge props are housed for the Titanic and Samson and Delilah numbers, followed by the costume shop. Guests "wow" at seeing these incredible costumes and accessories up close.

The Make up Demo is the finale of the two hour event. Guests witness the transformation of a current Jubilee! Cast member into the world of a genuine Las Vegas Showgirl via stage makeup and a Bob Mackie costume. **Cost: \$60 / \$70**
